Message from the new International President

The new International President, Lion Mark Lyon's message is **"Rooted in Service"**.

The theme is based on the image of a strong oak tree, symbolising that Lions are **rooted in purpose, compassion and service**. Just as a tree grows from strong roots, Lions grow by serving their communities and supporting one another. Service is seen as the foundation from which leadership, membership and impact all flourish.

Int. President Lyon encourages Lions to focus on four key priorities under the **Rooted in Service** theme.

1. **Get back to our roots** by focusing on meaningful service.
2. **Plant seeds of growth** by inviting new members and strengthening clubs.
3. **Let leadership shine** by developing and encouraging leaders.
4. **Support LCIF** and allow the Foundation to support clubs through its grants and programmes.

LC of London Park Royal help the needy

Before attending the 108th Lions Clubs International Convention in Hong Kong,

Lion President Manju and two members of the London Park Royal Lions Club extended a helping hand to a fishing village in Phuket, Thailand. They donated rice bags to local families.

This meaningful act of service exemplifies the Lions' spirit of compassion, generosity, and commitment to supporting communities in need wherever they serve.

Message from DG Dilip

My Family of Lions & Leos,

Thank you Lion Shirish for agreeing to be an editor for our District 105A magazine Pride of Lions. I also thank all the cabinet officers for agreeing to take up their positions.

This publication marks the beginning of a new chapter in strengthening communication, celebrating achievements, and sharing the inspiring stories that define our service.

Our Lions family continues to demonstrate that service is not measured by the size of an individual act but by the collective impact of many caring hearts working together.

As we embark on this new Lionistic year, I encourage every club to embrace innovation, collaboration, and fellowship. Let us continue to build stronger communities, welcome new members, develop future leaders, and create lasting partnerships that amplify our service.

This newsletter belongs to every Lion in District 105A. I invite every club to contribute stories, photographs, and ideas so that together we can showcase the remarkable difference Lions make every day.

Thank you for your dedication, generosity, and unwavering commitment to service.

I look forward to working alongside each of you as WE SERVE IN HARMONY & GROW TOGETHER.

Yours in Lionism,

Lion Dilip Shah
