

District Fight Against Cancer Trophy
Donated in 2017-18 by Lion Vijay Jain

The Trophy will be awarded to a Club in District 105A who, within the calendar year **January to December**, is judged to have made the best effort to support cancer related organizations and charities, individuals and their families affected by cancer in the UK. These include Lions initiatives such as Brain Tumor Cancer, Childhood Cancer and Prostate Cancer.

Criteria for Clubs entering will include all aspects of Lionism:-

- Carrying out Service activities to support organizations, Charities, individuals and their families in the UK.
- Carrying out Fundraising activities or donating money to support organizations, charities, individuals and their families in the UK.

Applying Club(s) should provide evidence to back up it's statements. Evidence can include a copy of the Club Activity Report to LCI, Club Business Meeting minutes, Club accounts and official letters.

Clubs entering this Competition please email information about your activities and/or donations and the relevant evidence to District 105A Health Portfolio Team Leader by the **10th February** each year.

The winning club will be decided by a Committee formed by Donor and current District Governor. The Trophy and a Replica of Trophy will be presented to the winning club at the Convention. Main Trophy will be returned at next Convention for next Year's winner while a Replica belongs to the winner. Winner of Trophy is obliged to keep the Trophy safe and secure and return in original condition after engraving Clubs Name on the back side
