

DISTRICT 105A

COMPETITION TROPHY

PEACE ESSAY

The trophy which will rotate each year and is sponsored by the late Lion Alec and PDG Lion Lesley Spence.

This International programme invites visually impaired young people (aged 11–13) to write about what peace means to them. It helps children express their thoughts, hopes, and dreams for a more peaceful world—using the power of words to inspire change.

Every Lions Club can sponsor a local school or youth group to take part. Clubs provide the official essay guidelines and encourage children to explore the theme and share their ideas in writing.

Essays are judged at District level, and the winning entry is sent to the Multiple District final. The Lions Club that sponsored the winning essay and the winning young person receive the trophies.

The winners are announced at the District Convention in March.
