

DISTRICT 105A

COMPETITION TROPHY

PEACE POSTER

The trophy which will rotate each year and is sponsored by the late PDG Lion John and Lion Jennie Smith.

This International programme encourages young people (aged 11–13) to express their vision of peace through art. It helps children share powerful messages without words, using creativity to inspire hope and understanding.

Every Lions Club can sponsor a local school or youth group to take part. Clubs provide the official poster kit and encourage children to explore the theme and create their artwork.

Entries are judged at District level, and the winning poster is sent to the Multiple District final. The Lions Club that sponsored the winning entry and the young winner receive the trophies.

The winners are announced at the District Convention in March.
